We will have two guest speakers for the April meeting. Larry Nunley, our community liaison for Department of Public Works will introduce himself and explain the upcoming training sessions to monitor your water bill. If you have specific questions about your bill, he asked that you call, 410-545-6541, or email, [Larry.Nunley@baltimorecity.gov](mailto:Larry.Nunley@baltimorecity.gov) **prior** to the meeting.

Lieutenant Kim Courtney, from the Baltimore City Fire Department will be on hand to explain and demonstrate CPR on mannequins. We'll have the unique opportunity to try this life saving technique ourselves. Learn about the Fire Department's other helpful programs such as the "car seat check" held monthly. Remember that free smoke detectors are available by calling 311.

The RDA board meeting will immediately follow the community meeting.

## Neighborhood Trivia

Each month we post a neighborhood trivia question, with the answer published in the following month's Ridgely's Record. Last month's trivia question: "What is the original name of the first church in Ridgely's Delight?"

The answer: Washington Blvd was originally called Columbia Ave. The first church in Ridgely's Delight was called the Columbia Avenue Methodist Church, located at what is now called Ridgely's Commons at 657 Washington Blvd, Baltimore. Although built as a church, the building saw the most use as a neighborhood community center, before being abandoned and later turned into private residences.

A portion of our neighborhood was built on land that was part of Rachael Howard's Dowry. So, this month's trivia question is, "Who did Rachael Howard marry?"
