## Community and Board Meetings

The monthly community meeting will be held on Wednesday, Feb. 5<sup>th</sup> upstairs at Sliders from 7-8pm. Representatives from the Eklof building project will provide an update on construction and answer questions. A board meeting will follow. If you live or own property or a business in Ridgely's Delight, you are welcome to attend both meetings; however, only board members are allowed to vote at the board meeting. You can review minutes from previous meetings as well as the upcoming meeting agenda when it's available at [www.ridgelysdelight.org/minutes](http://www.ridgelysdelight.org/minutes). We will also post a link to the meeting agenda on our Facebook page. The meetings are community-sanctioned events, and attendance counts toward becoming a Ridgely's Delight Association member in good standing.

## RDA By-laws in Review

The original by-laws were drafted in the 1970s and are in need of some updating. At this point, the review committee has identified specific content in need of clarification/updating. The next step is to thoroughly define each issue and devise solutions. This process is expected to take a few months before a proposed draft is presented at a monthly community meeting. Please keep in mind, all community input from the by-laws meetings, monthly meetings, and emails to the president will be discussed and considered. In addition, if you'd like to serve on or participate in meetings of the by-laws committee, feel free to attend. Or if you have suggestions for revisions, please email [president@ridgelysdelight.org](mailto:president@ridgelysdelight.org). You can review the current by-laws in the Association section of [www.ridgelysdelight.org](http://www.ridgelysdelight.org).

Please note that the next RDA by-laws committee meeting will be held on Thursday, February 13<sup>th</sup>. The meeting will begin at 7pm and will be held upstairs at A Peace and A Cup of Joe.

The evening will include unlimited ballpark-inspired food and beverages, a silent auction, appearances by local professional and amateur athletes, the presentation of the 2014 Babe Ruth Museum Community Service Award to Oriole Adam Jones and admission to Sports Legends Museum's galleries. Tickets to the Bash are \$45 for museum members, \$55 for the general public when purchased in advance and \$60 at the door. Ten or more tickets purchased together are \$40 each. Pickles will provide free pizza and beer to volunteers after the clean-up. In the event of bad weather, we will send an email and post on our social media pages regarding cancelation or postponement. If you know of areas where we should concentrate our efforts, please notify [president@ridgelysdelight.org](mailto:president@ridgelysdelight.org). The clean-up is a community sanctioned event.

## Talking Trash

If you're new to the neighborhood, or if you just don't know when to put out your trash, this is a reminder that Wednesday is the general trash collection day. Trash must be in a covered container. Put your trash in the alley after 6pm on the night before pick-up and take the can in after collection. Place all recycling materials (plastic and glass bottles and jars, paper and cans) in recycle bins, cardboard boxes, paper bags or a clearly marked container for collection on Friday mornings. For more information about trash, including how to get bulk trash picked up and where to dispose of hazardous waste, visit the Residents section of [www.ridgelysdelight.org](http://www.ridgelysdelight.org).

### YouthWorks Offering Summer Jobs

Each summer, YouthWorks matches thousands of city youth to six-week summer jobs with employers throughout the city. Baltimore City residents ages 14 to 21 can register online for the 2014 YouthWorks summer jobs program at <http://youthworks.oedworks.com> until Mar. 14<sup>th</sup>. Everyone who pre-registers must attend an in-person certification appointment to be eligible to be placed in a YouthWorks job; certification appointments will be held through March 29<sup>th</sup>.

YouthWorks is also recruiting Baltimore organizations to serve as worksites. Eligible worksites are not responsible for paying YouthWorks participants, but they must provide close supervision and mentoring throughout the program. An organization can apply to become a YouthWorks worksite until Feb. 7<sup>th</sup> at <http://youthworks.oedworks.com>. Worksite eligibility requirements are outlined on the site.

## FOG Alert: Fats, Oils & Grease Program

The City has launched a new campaign to make everyone aware of the problems caused when disposing of fats, oils and grease from food in the garbage disposal. These materials can stick to the walls of the pipe and eventually lead to blockage of the line and sewer back-ups, which can harm the environment. There is a better way to dispose of meat fats, cooking oil, food scraps, sauces, salad dressing, mayonnaise, lard, shortening and butter. Pour it into a covered container and store it in the refrigerator or freezer. When the container is full, throw it in the trash. In addition, to avoid back-ups of our aging sewer system, throw toilet tissue only in the toilet. For more tips, visit [www.cleanwaterbaltimore.org](http://www.cleanwaterbaltimore.org).

## Renovation Reminder

All renovation work requires a city permit. Additionally, since Ridgely's Delight is an historic district, work on the outside of your home requires CHAP approval prior to beginning any renovation. To review the CHAP guidelines, visit [www.ridgelysdelight.org/chap](http://www.ridgelysdelight.org/chap)

Feel free to contact the Ridgely's Delight Architectural Review Committee (ARC) with any renovation related questions at [arc@ridgelysdelight.org](mailto:arc@ridgelysdelight.org).
